Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted Applicants' representative to discuss placing the application in condition for allowance by limiting the claims to nucleic acids encoding SEQ ID NO: 2, a genus of which the exemplified species SEQ ID NO: 1 is representative. Other minor clarifying amendments were also discussed, as was amendment of the first line of the specification to provide complete priority information. Agreement was reached, and claims 32-39 will be allowed, subject to an Examiner's amendment (see attached Office action)..
